"Life should NOT be a journey to the grave with the intention of arriving safely in an attractive and well preserved body, but rather to skid in sideways, body thoroughly used up, totally worn out and screaming "WOO HOO what a ride!"

Get Up Off Your Information And Do Something!

1. **What Specific measurable result do you want in terms of wholesaling?**  
   Preferably a dollar figure.

2. **How soon would you like to achieve this primary result?**  
   Most students set a dollar amount on an annual basis?

3. **Why do you want that result?** This is where your bringing the bottom up so that you don't have to deal with hitting it where it really is... Cause that's just not fun! How will your life improve? How will your families life improve? What new stuff are you gonna buy? Would you prefer to spend your retirement years working on a tan or working as a door greeter at Walmart?

4. **What massive action plan are you willing to commit to?** What's your plan to make it happen? After going through 12 weeks of intensive training you should have an idea of what your action plan needs to be.

What's Your “My Problems Are Special Story”?  

Up until this point there's been some Fearytale[s you've been telling yourself. These modern day tales of doom are one of the primary culprits for ANALYSIS PARALYSIS.

Take the next 5 minutes and write out your stories. If you're having trouble wrapping your mind around the idea of a story then think in terms of “How do I make it OK NOT to succeed at X”.

What do I tell myself about why I am special and my problems are special so I can make it OKAY to fail?

Another term for the lame stories that we all tell ourselves is Rationalizations. It's interesting what happens when you break down the word rationalization... Rationing LIES

Okay now get to work.
